The Mirth Girl Makeover.

When you **fall** off your platform shoes on a first date (strutting your stuff through a crowded bar)...when you have to call a salesperson **HALF YOUR SIZE** to get you out of a dress that's stuck half on, half off (**It's just water weight!**)...

when your self-tan makes you look like **Streaky** bacon (should have checked the expiration date!), slap on a happy face. Go barefoot in the bar. Ask if there's a surgeon on call to cut you out of the dress. Don't hyperventilate, just exfoliate.

Mirth Girls know that a belly laugh makes your abs **FAB** ...that your funny bone's connected to your love zone... that laugh lines take a **WRINKLE** out of time..that you'll never fall on your face when you're jumping for **joy.**
